Ranger Spells

A spell's **school of magic** is noted in parentheses after the spell's name, and the name is followed by an asterisk (*) if the spell has the **ritual** tag. Spell names listed in *italics* are specific to the listed ranger archetype and are not available to all rangers.

The November 2019 Unearthed Arcana article **Class Feature Variants** expanded the ranger's spell list. These spells are followed by a plus sign (+). Some spells originally available only to specific archetypes are now available to all rangers. Consult with your DM before selecting one of these spells for your character.

Warlock Invocations & Spells

A spell's **school of magic** is noted in parentheses after the spell's name, and the name is followed by an asterisk (*) if the spell has the **ritual** tag. Spell names listed in *italics* are specific to the listed warlock patron and are not available to all warlocks.

The November 2019 Unearthed Arcana article **Class Feature Variants** expanded the warlock's spell list. These spells are followed by a plus sign (+). Some spells originally available only to specific pacts are now available to all warlocks. Consult with your DM before selecting one of these spells for your character.
