

Flesh God

Not enough time to finish him.
I do not want to die!

Solving the formula will tell
me which the right part are!

Hands 2, 7, 3, 8, ?
Feet 3, 12, 6, 24, ?
Brain 8, 16, 22, 44, ?
Three more body parts
to complete him!

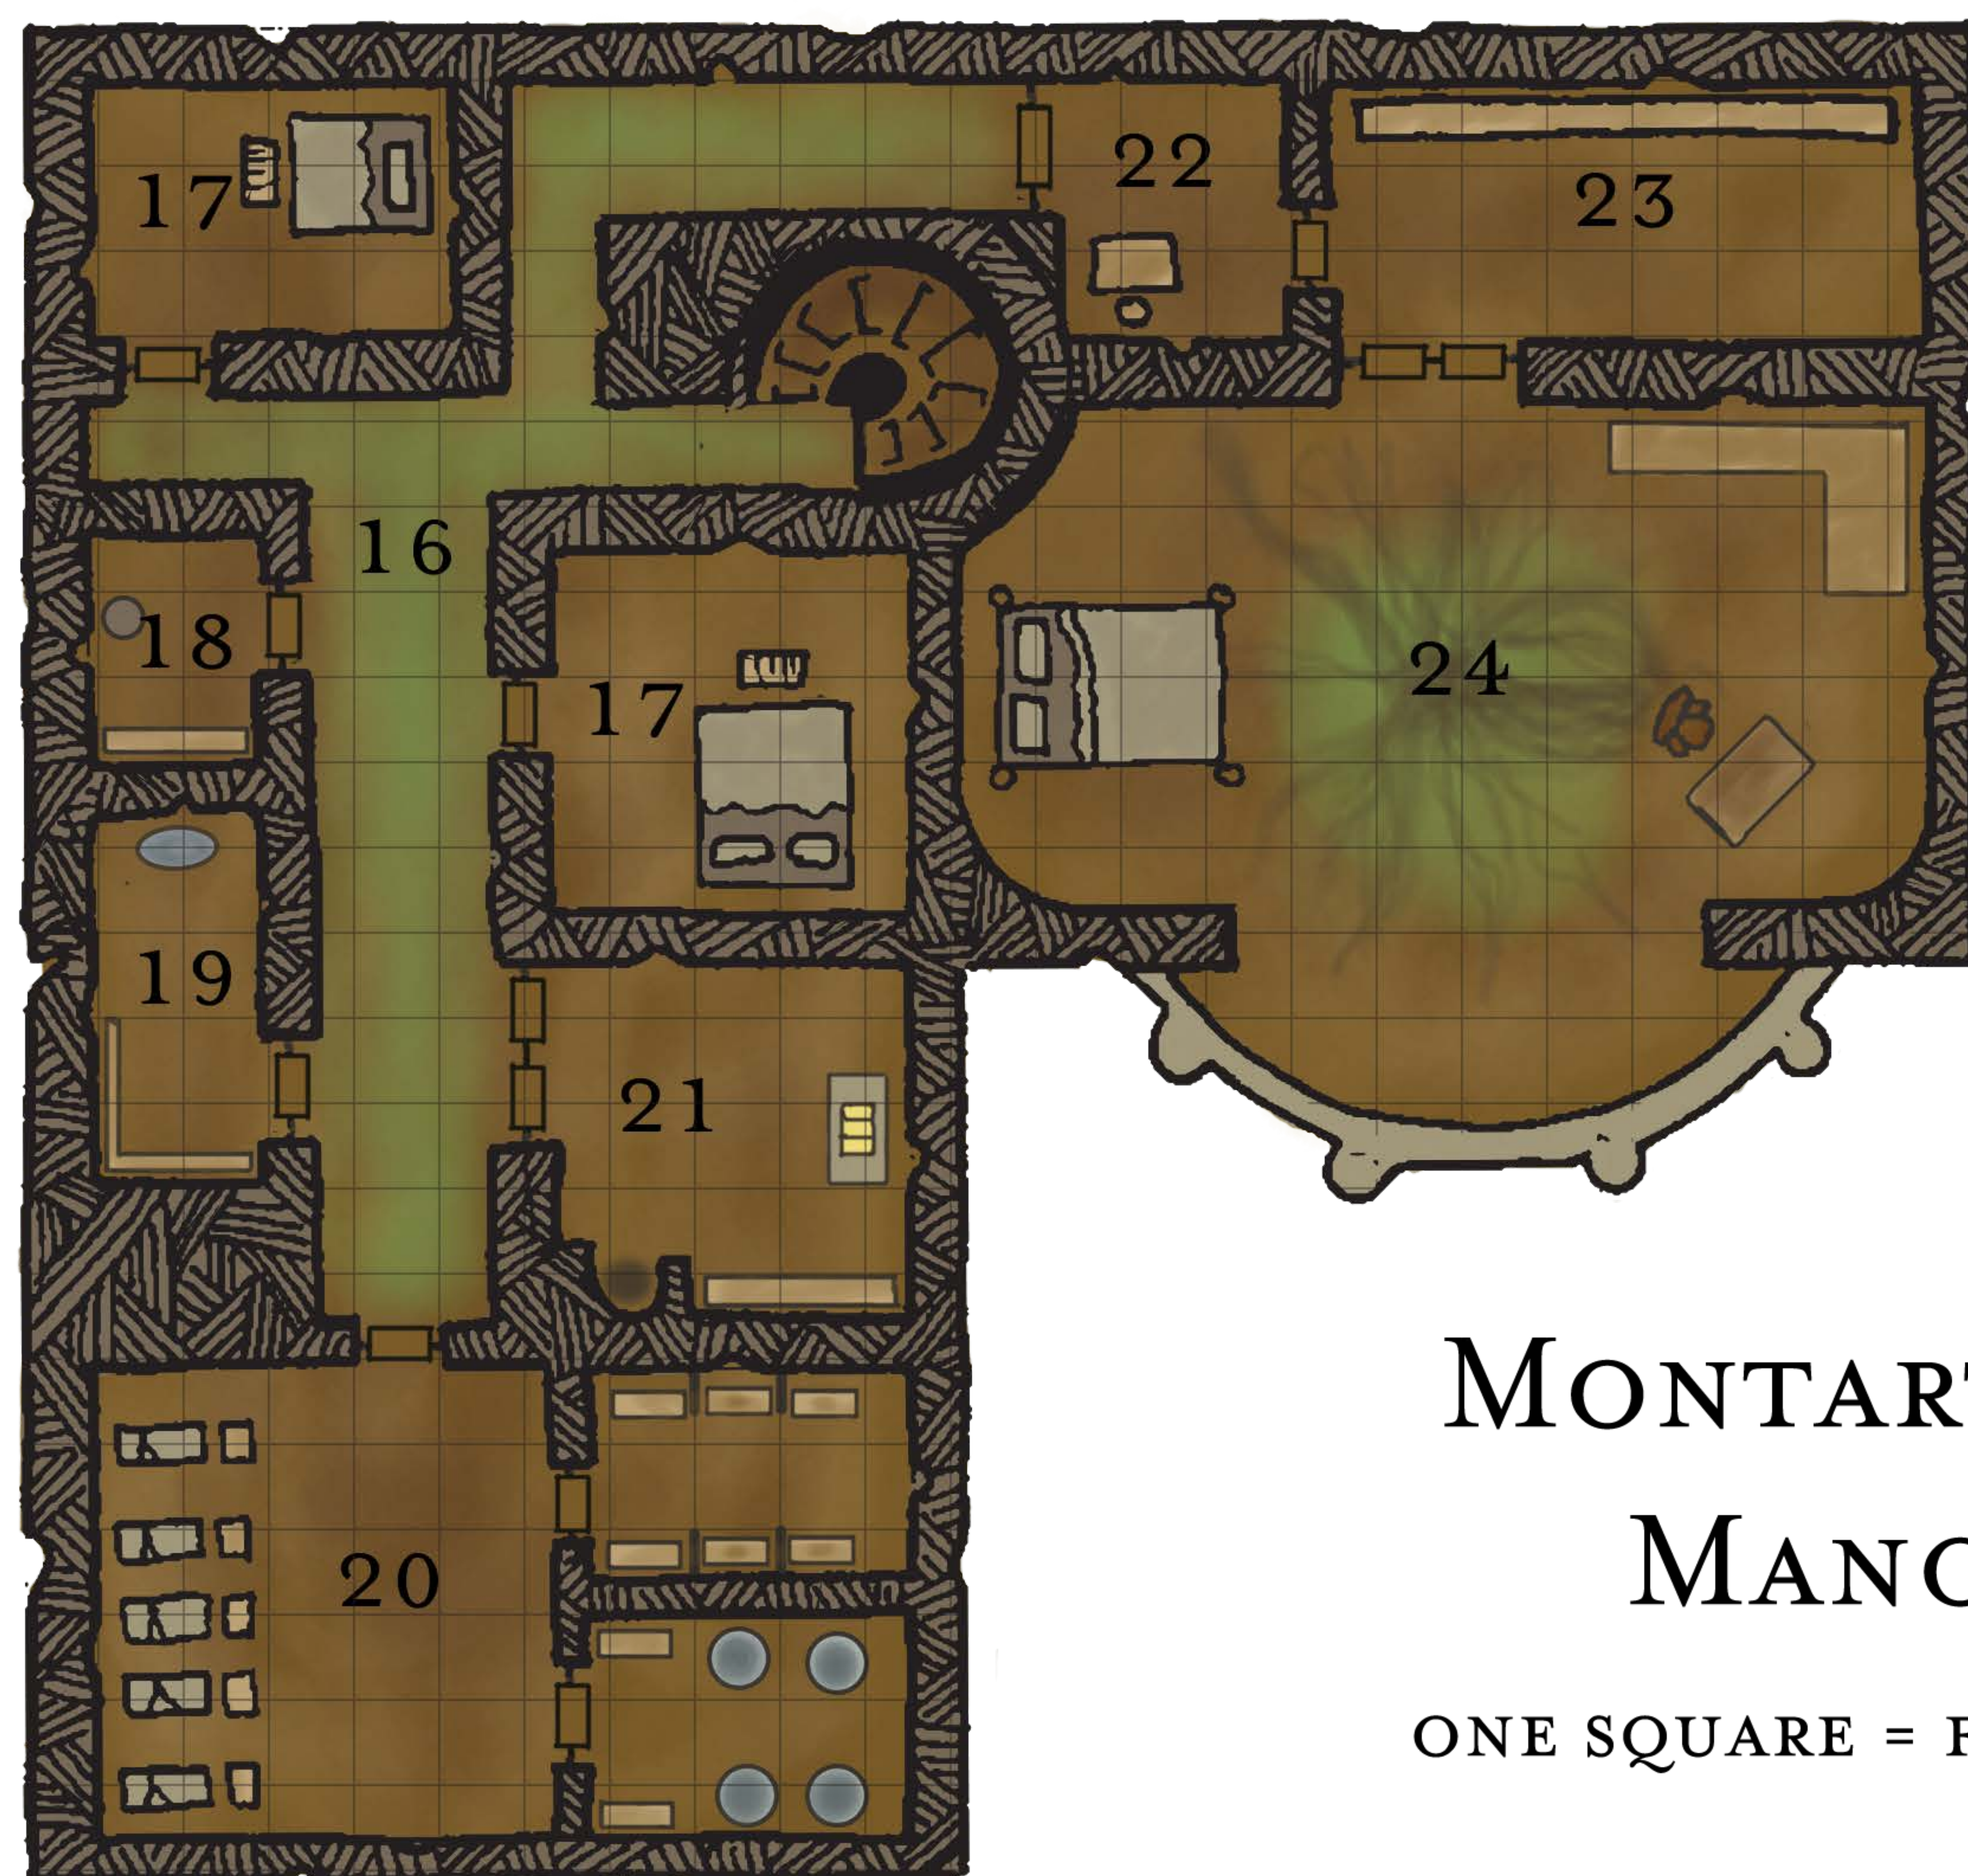

He will open it for me!

The door is locked... I am trapped...
gas is coming! Only he knew the code...
now his brain lies in the bucket for
my flesh God!
