-------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------

Cut out model
Score base and middle lines

"Sandwich" glue
front & back together
Do NOT get glue on tabs

Trim excess border
Fold base tabs perpendicular
to the model

Edge with a
black marker

Cut out slots
Turn over, use a black marker
to edge slots and lay down a
solid black patch on bottom segment

Glue and fold inner flap
Avoid getting glue in the slot

For extra thickness
glue base to cereal cardboard

Cut out the disc
Edge with a black mark

SCORE along
the grey line

Apply glue to side with dot
Do NOT glue above the score line

Align wing score to
line on body

Match red dot to red dot
blue dot to blue dot

Once glue has set,
fold wings out
