

LANTERN OF REVEALING

CCC - BMG-PHLAN3-2 The First Rule

This lantern is made of leather and bones, and smells like grave soil. It was created by a necromancer and the light that it gives off has an eerie reddish tint. The lantern uses blood instead of oil for fuel, and a pint burns twice as long as normal.

Wondrous item, uncommon

Please refer to the Dungeon Master's Guide for a full description of this item.
