

# BROOM OF FLYING

**CCC-TRI-13 OLMA3 What Lies Beneath Ylraphon**

Slightly cracked but still a lustrous ebony, with some of the broom bristles broken off, it will follow its user like a puppy and with a child-like curiosity unless instructed not to, at which point it is prone to throwing a temper tantrum. Tied around its handle is a red neckerchief embroidered with the letters "ZJ".

*Wondrous Item, uncommon*

*Please refer to the Dungeon Master's Guide for a full description of this item*
