Adventure and Background

The main protagonist of this adventure is of course the Scarlet Brotherhood. All references to Iuz should be replaced with the Brotherhood. The main action of the module occurs in the town of Sornhill on the Storm Coast.

Player's Introduction:

The poem should be changed to:

“Say a prayer for the Fallen Knight,
Before the Scarlet Ones choke him.

A sacrifice on the Festival Knight,
A bonfire built to smoke him.

Burn him in a rub of tar,
Burn him like Pholtus's star!
Burn his body from his dead,
Alas, alas! The knights are dead.”

The notes below correspond to parts of the adventure and should be consulted when these points are reached.
