

CHURCH OF SAINT CUTHBERT

Symbol: A four-pointed starburst

Background and Goals: The Church of Saint Cuthbert is the dominant faith in the Viscounty of Verbobonc. Officially recognized as the state church of the land, the Cuthbertines make much of their privilege to spread the faith of the Cudgeller across the Viscounty and bring the wayward into line. Priests of Saint Cuthbert is versed at spreading the doctrine of the faith across the Viscounty. Their discipline and pragmatic view resonates with the hard-working common folk of the land. A great rivalry is known to exist between followers of Pholtus and Saint Cuthbert, and lately there has been conflict with the followers of Trithereon.

Members: Most members of the Church of Saint Cuthbert are clerics. The Church of Saint Cuthbert defines a cleric as a character with the majority (over 50%) of non-prestige class levels in the Cleric class.

Members that leave the Church are looked upon with concern and suspicion, but will not be denied the services of the church—provided that they have not fallen into unlawful ways. However, members that leave the Church and then desire to return must first petition Bishop Haufren for approval to be readmitted.

All members that receive divine power from Saint Cuthbert belong to one of three religious Orders. These Orders are described in further detail in the **Membership Options** section.
