

PAPERCRAFT BUS

Print out this model on coverstock or cardstock paper, then cut and assemble for a 1:72 (1" = 6' or 25mm) scale representation of a bus, inside and out. This is suitable for modern-day *Savage Worlds* adventures such as *The Wild Hunt* or *Zombie Run*.

For more information, check out the Pinnacle web site at:

Undercarriage

1:48 MODEL

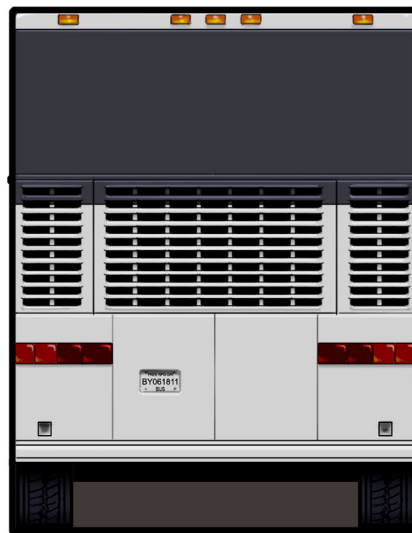

On this and the next page are pieces for a 1:48 scale bus model.

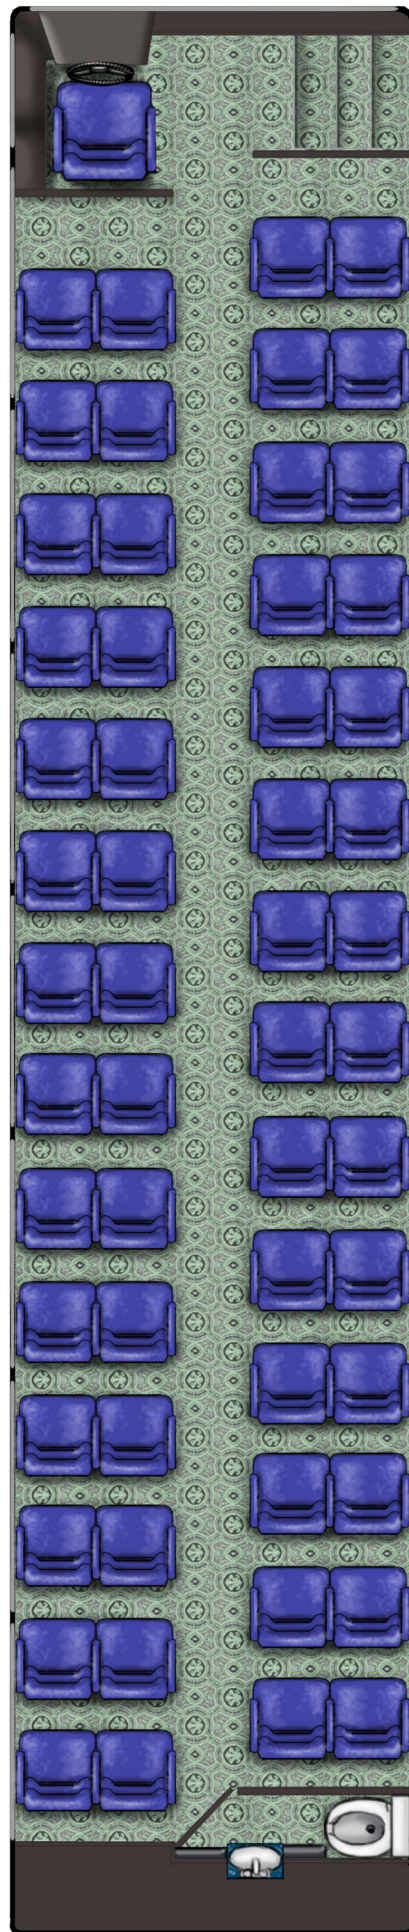

This is 50% larger, for "heroic" scaled miniatures (28mm to 37mm) rather than standard 25mm tri-fold figure flats.
