

# Savage Worlds Deluxe Map Pack

This map pack contains all the maps from the One Sheet Adventures in the *Savage Worlds Deluxe* books. The graphic resolution has been kept high in case you want to print these as player handouts (which is why the file is a little larger than normal for a six-page document).

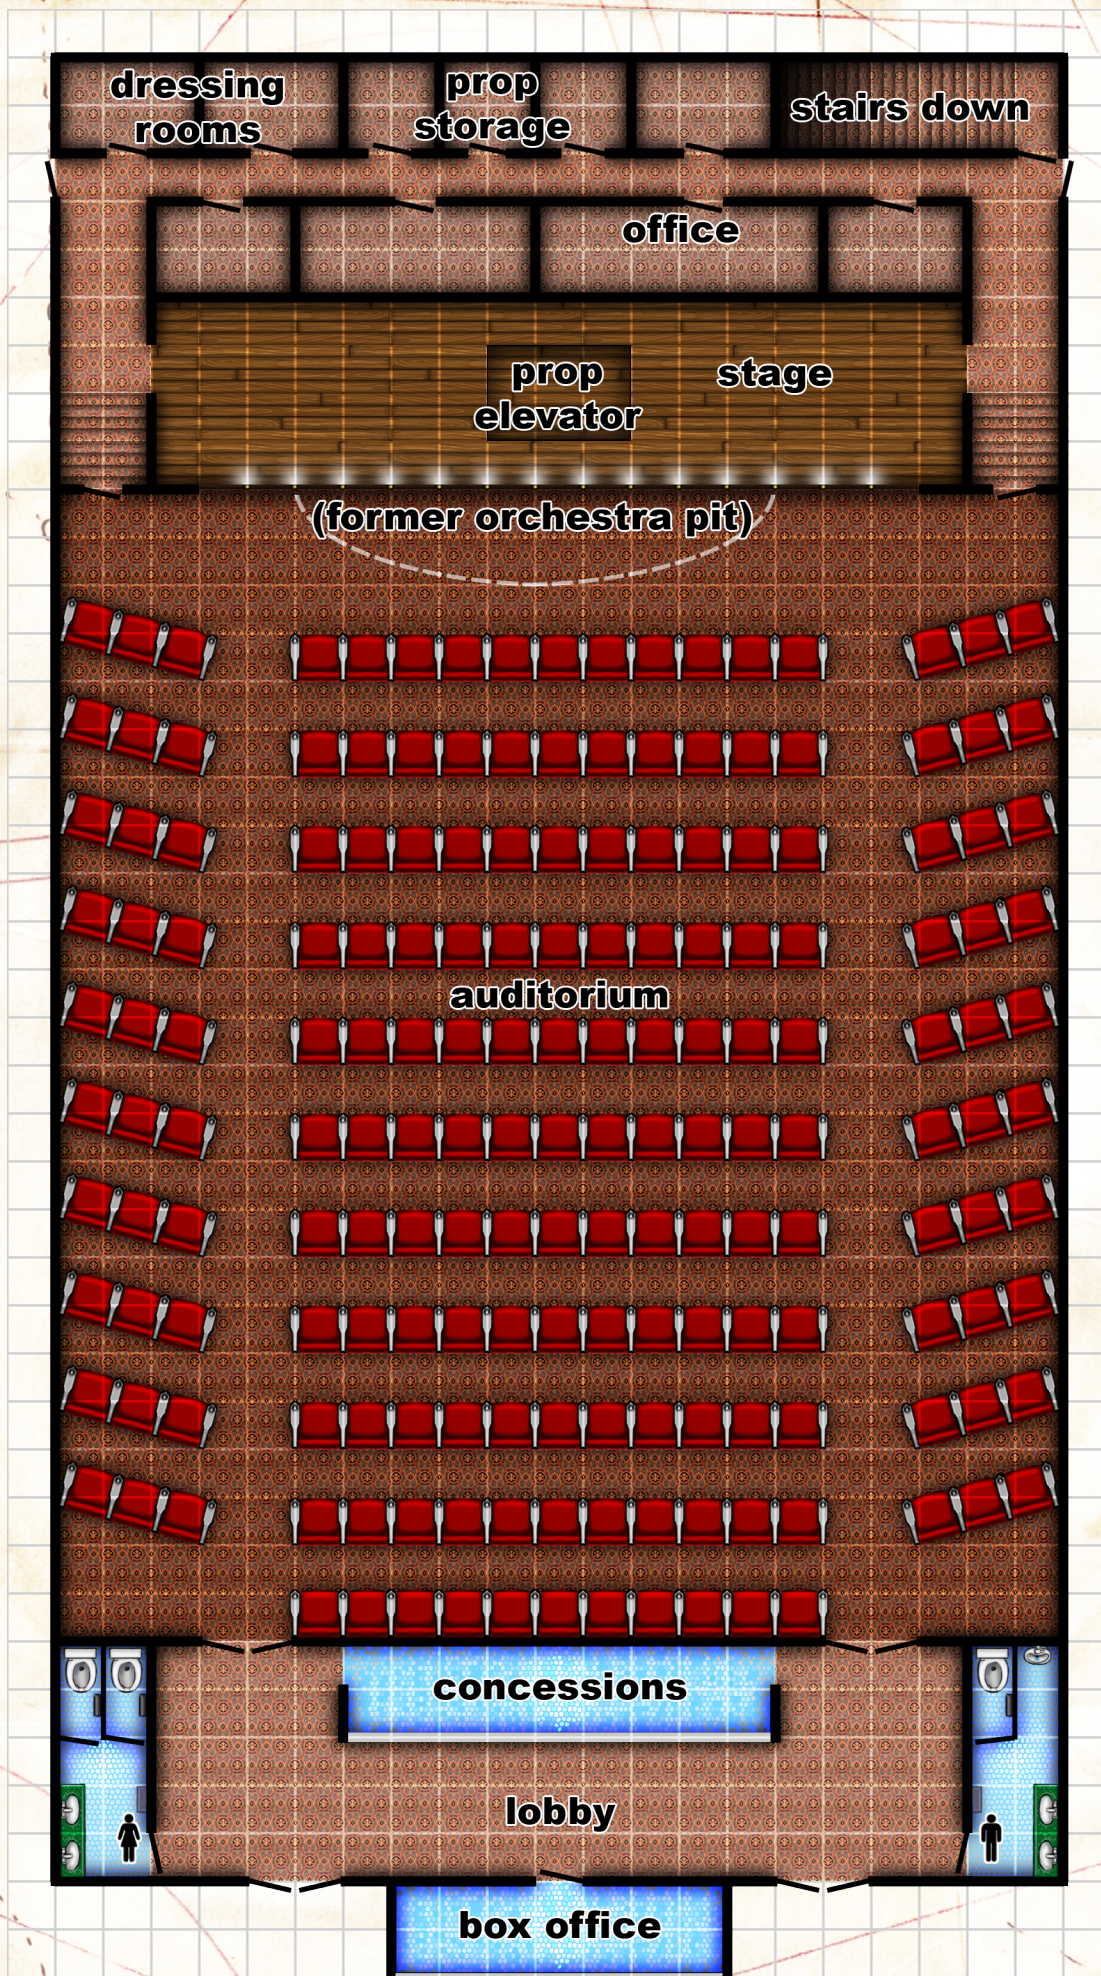

If you don't have a copy of *Savage Worlds Deluxe*, be sure to visit our web site and store at [www.peginc.com](http://www.peginc.com). If you're new to the *Savage Worlds* system, a set of *Test Drive Rules* are available on our free downloads page!

This document has a number of layers. If you don't want to see (or print) the background image, turn off the Page Backgrounds layer. Don't want the map names? Turn off the Map Names layer. What you want is what you get!

# Knight Errant: Return Engagement

## Knight Errant: Return Engagement

# Knight Errant: Return Engagement

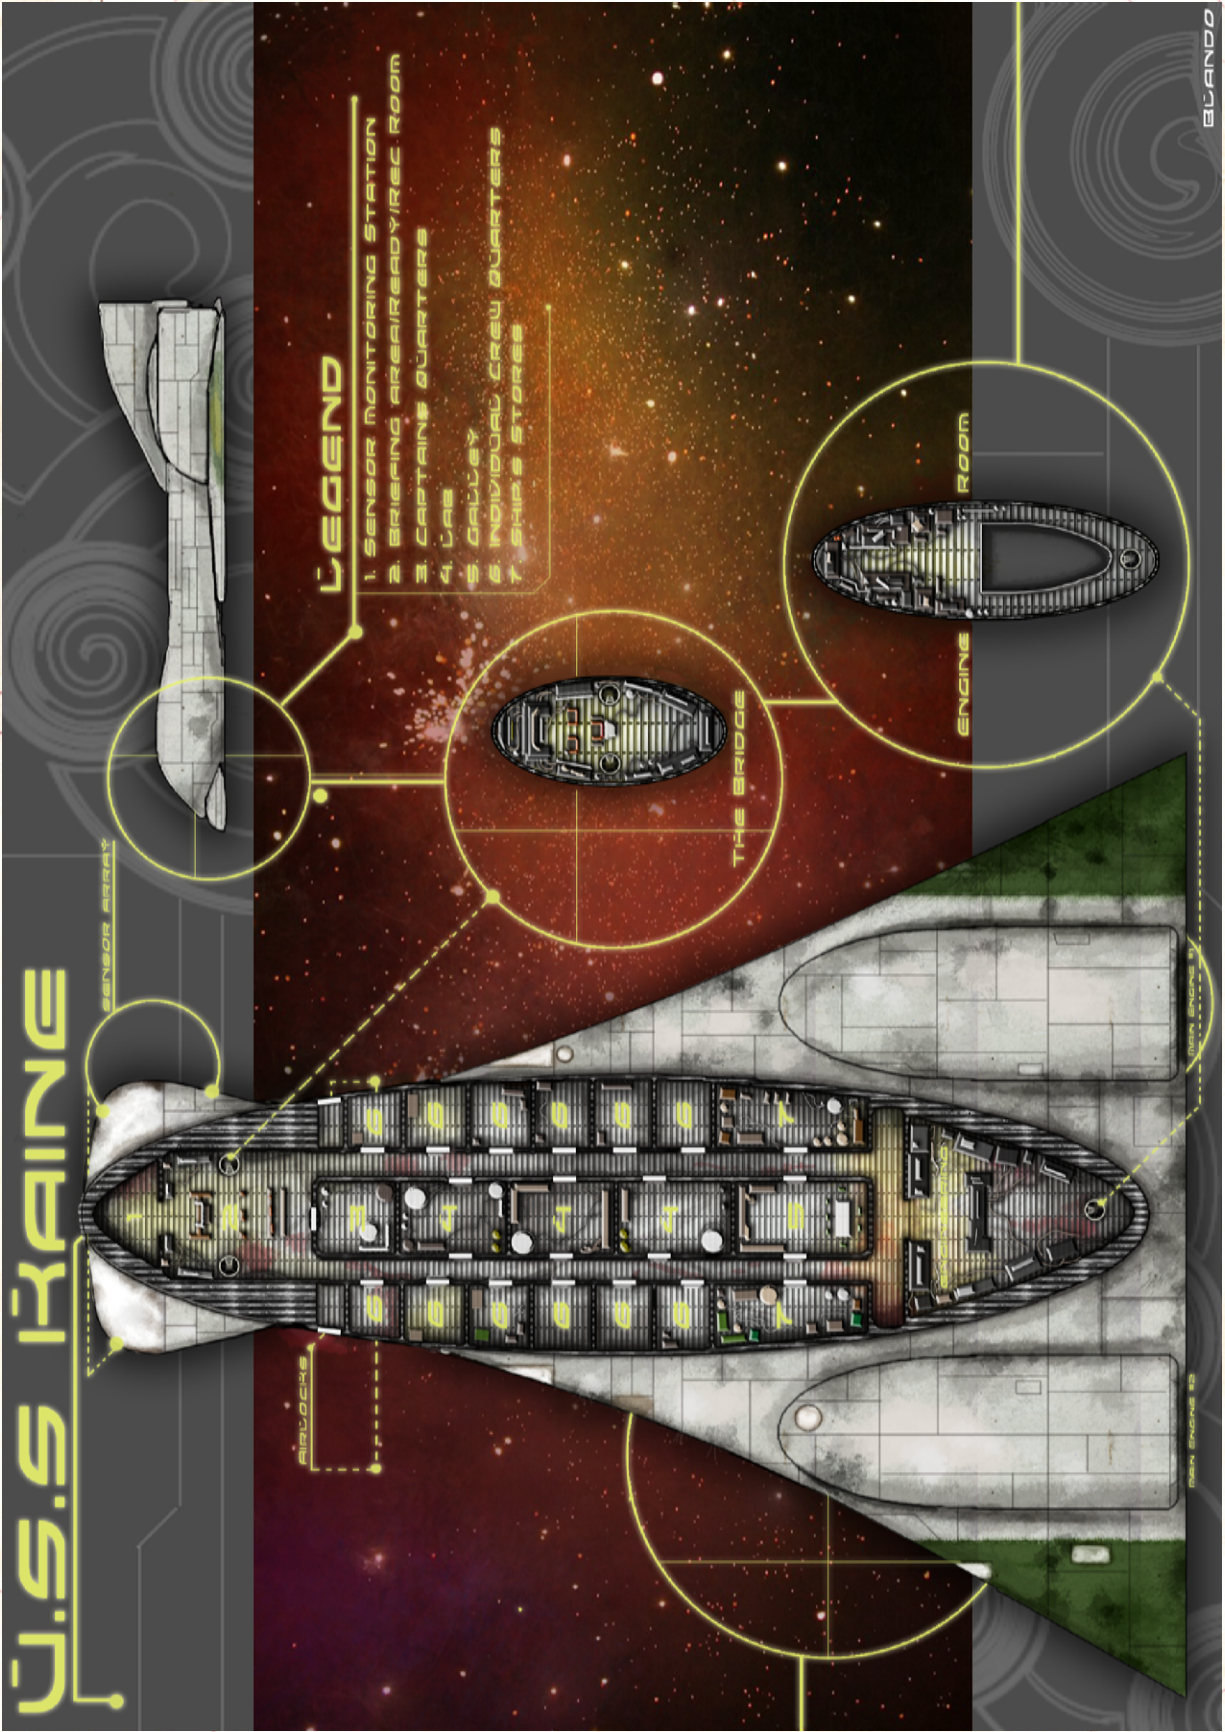

# Blood in the Snow

# The Salvage of the USS Kaine

# The Fires of Ascalon
