

DARK STATES

DRAMATIS PERSONAE

Felix Silver

A conman with a streak of bad luck who was framed by a rich college friend and his family and subsequently spent some time behind bars for a crime he didn't commit, but is now out and looking for revenge.

Harvey Davis

A computer hacker and part-time DJ who hopes to make it big in the New York City club scene, and who arrogantly believes he can actually perform magic.

Heather Garcia

A Puerto Rican Environmental Consultant who is also part of an eco-terrorist group, the Silent Spring, who believes the food industry and government are putting something in new lab grown meat.

Keith Knight

A soldier and robotics engineer in the United States Army Corps of Engineers (USACE) who undertakes some secret work for the military, but that always believes in doing the right thing, no matter the cost.

Nathan Hunt

A Private Investigator from Texas who is intent on tracking down and avenging the death of his brother some years ago at the hands of a serial killer but whom has never been found.
