## WHAT IS A ROGUE?

You are a skilled and opportunistic adventurer, adept at sneaking, fast-talking, vaulting over obstacles, disabling traps, and striking unaware enemies.

# MERISIEL

## CLASS ROGUE 1

### EQUIPMENT

**BULK** 4.9

**WORN** backpack, ordinary clothing, studded leather armor

**WEAPONS** rapier, daggers (6), sap, shortbow with 10 arrows

**STOWED** bedroll, crowbar (expert), flint and steel, grappling hook, hammer, pitons (5), rations (3 days), rope (silk, 50 feet), sheaths (7), thieves' tools, torches (10), waterskin

**WEALTH** 8 silver, 1 copper

**RESONANCE POINTS** 2

The following rules apply to Merisiel's equipment.

**Agile** (trait): The multiple attack penalty you take on the second attack each round with this weapon is -4 instead of -5, and -8 instead of -10 on the third and any further attacks in the round.

**Deadly** (trait): On a critical hit, the weapon adds a weapon damage die of the listed size.

**Disarm** (trait): You can use this weapon to attempt disarm checks. If you critically fail the Athletics check, you can drop the weapon to treat it as a normal failure.

**Finesse** (trait): You can choose to use Dexterity instead of Strength on attack rolls with this melee weapon. You still use Strength on damage rolls.

**Nonlethal** (trait): All attacks with this weapon are nonlethal and are used to knock creatures unconscious instead of kill them.

**Thieves' Tools**: You need these tools to Pick Locks or Disable Devices.

**Thrown** (trait): You can throw this weapon as a ranged attack. A thrown weapon adds your Strength modifier to damage just like a melee weapon does. When this trait appears on a melee weapon, it also includes the range increment in feet.

**Versatile** (trait): A versatile weapon can be used to deal an alternate damage type listed. For instance, a piercing weapon that has "versatile S" can be used to deal piercing or slashing damage. Choose the damage type each time you make an attack.

## FEATS AND ABILITIES

Merisiel's feats and abilities are described below. Her Finesse Striker feat is already applied in her character statistics.

**Cat Fall:** You treat all falls as though you had fallen 10 fewer feet.

**Finesse Striker:** When you attack with a one-handed melee weapon that has the agile or finesse trait, you can add your Dexterity modifier to the damage instead of your Strength modifier.

**Forlorn:** Watching your friends age and die fills you with moroseness that girds you against harmful emotions. You gain a +1 circumstance bonus to saves against emotion effects. If you succeed at a saving throw against an emotion effect, treat it as a critical success instead.

**Low-Light Vision:** You can see in dim light as though it were bright light.

**Pickpocket:** You can Palm or Steal Objects that are closely guarded, such as an object in a creature's pocket or a loose ring. You still can't steal objects that are actively wielded or that would be extremely noticeable or time consuming to remove (like worn shoes or armor).

**Sneak Attack:** You can deal additional damage to flat-footed creatures. If you Strike and hit a flat-footed creature with an agile or finesse melee weapon, an agile or finesse unarmed attack, or a ranged attack, you deal 1d6 extra precision damage. For a ranged attack with a thrown weapon, the thrown weapon must also have the agile or finesse trait for sneak attack to apply.

**Surprise Attack:** On the first round of combat, you treat any creatures that haven't acted yet as though they were flat-footed.

**Trap Finder:** You have an intuitive sense that alerts you to the dangers and presence of traps. You gain a +1 circumstance bonus to Perception checks to find traps, to AC against attacks made by traps, and to saves against traps. Even if you aren't searching, you still get a check to find traps with trained or higher Stealth. You can disable traps as though you had master rank in Thievery.
