

THE EYE OF KILQUATO

Print these paper models onto cardstock, cut out, then fold and glue together (gluing the "name" tag inside to make a triangle) to assemble the heroes and an assortment of interesting characters they'll meet in the wilds of 1930s Brazil, for use with the "Eye of Kilquato" Adventure for the Savage Worlds system.

Kilquato

Assembly:

or

Fold into
"inverted T"
or "tent."

		
		
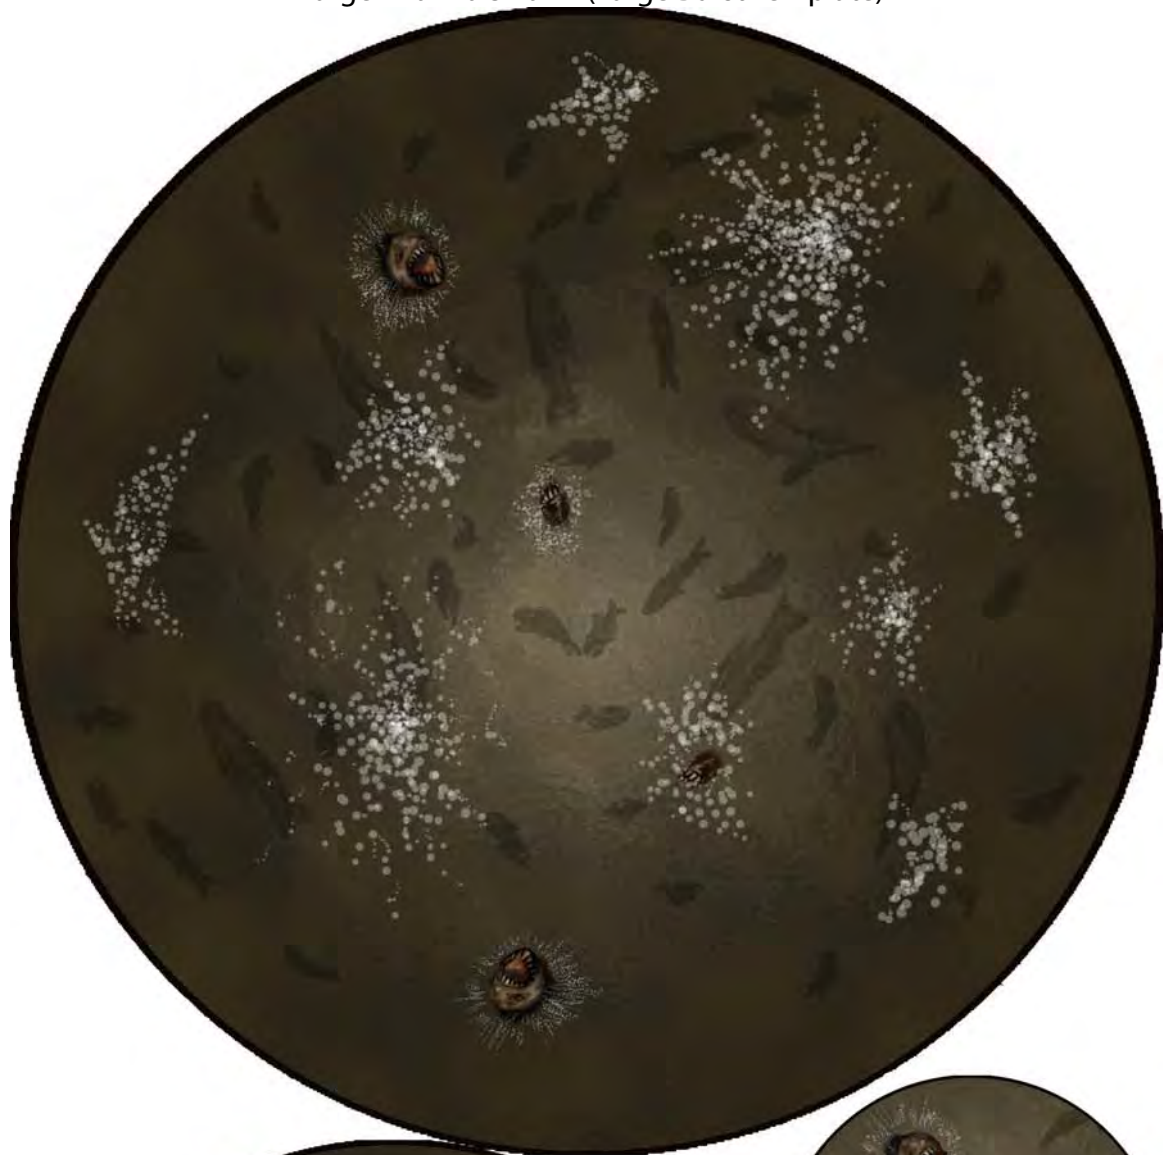

Tanango (Alligator Form)	Pool Alligator	Jaguar

(No jaguars are required for this adventure, but it might come in handy for improvised encounters. Use Large Cat statistics.)

					
					
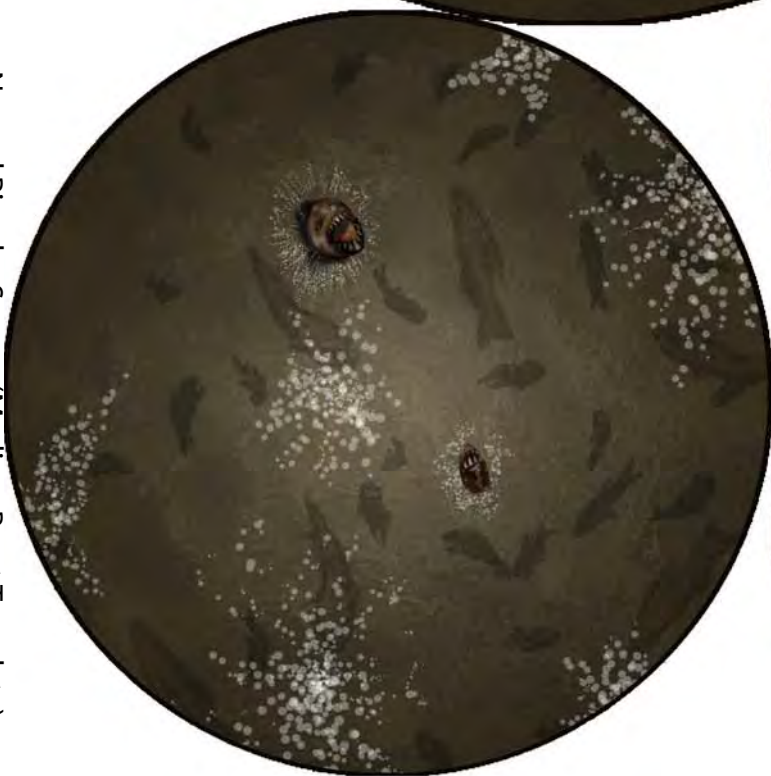

The Amazonia	River Boat	Fishing Boat (Jangada)	Fishing Boat	Patrol Boat	Patrol Boat

These boat markers are included to help keep track of relative positions in a river chase. (They're not to scale with the other figures in this set.)

Large Piranha Swarm (Large Burst Template)

Normal Piranha Swarm (Medium Burst Template)

Small Piranha Swarms (Small Burst Template)
